

RIVER PARK RANCH PROPERTY OWNERS ASSOCIATION, INC.
2021 CANDIDATE BIO's

Mitchell Holderrieth

Hello, my name is Mitchell Holderrieth, my address is 310 Ruel Rd. I grew up in Tomball working in a family owned business before starting a 23-year career in the copier business. My wife and I have lived here in River Park Ranch for six years. We have 4 grown children and 4 grandchildren. In the past I served on the HOA boards of the subdivision we lived in and have continued here on the RPR Board of Directors in different capacities for the last 3 terms. My hobbies include amateur radio and traveling in our RV. River Park Ranch is a great neighborhood to live in and your board works hard to keep everyone's home values up by enforcing the DCCR's. Yes, I am up for re-election, however we encourage more residents to volunteer to become involved with the board or help on a committee. It gives you a chance to learn more about your community and how things work.

Thank you,
Mitchell Holderrieth

Chris Gustafson

My wife Rhonda and I have been residents in River Park Ranch for five years. We have three kids and four grandchildren. We moved to Texas from Illinois in 2015. Relocated to Texas to be closer to family and friends. We researched properties in the Dallas-Fort Worth, Beaumont and Houston having family in each area. We decided on Northwest Houston Magnolia area for a variety of reasons. Our criteria were property outside of the city with horse property or large animals with open space in semi-rural setting on acreage close to amenities, shopping, restaurants but with a country feel. I have worked in the print packaging business for the last 30 years. Extensive experience in our product development, sales and management. Currently employed in the industry as regional manager and director of business development at JohnsByrne Company. Currently work full-time from home office with minimum travel. Busy with my work but confident I'll have ample time to meet responsibilities and tasks serving on the RPR board.

Thanks,
Chris Gustafson
